Mobile Pay

A fast, easy and secure way for you to pay for eligible reimbursement account expenses

What is PlanSource Mobile Pay?

Are you interested in a more convenient way to pay for reimbursement account expenses? Do you prefer to use contactless payments for all types of purchases? With PlanSource Mobile Pay you can quickly and easily pay for eligible reimbursement account expenses, both in-store and online, using your digital wallet app on your mobile device.

How does it work?

To take advantage of PlanSource Mobile Pay, simply:

- Open your digital wallet (Apply Pay, Google Pay, or Samsung Pay)
- Enter your PlanSource Mastercard details
- Accept the Terms & Conditions
- Complete the authentication process, as prompted
- Begin usingyour digital wallet to pay for eligible expenses

What are the benefits of using PlanSource Mobile Pay?

- Provides access to a convenient and secure contactless payment option for your reimbursement account purchases.
- Uses tap-to-pay technology, which is more reliable and secure than other forms of payment. Plus, mobile devices often provide a layer of biometric authentication, resulting in safer transactions.
- Eliminates the need for you to touch payment terminals or pass your PlanSource Mastercard back and forth with cashiers.
- You can say goodbye to the hassle of having to carry your PlanSource Mastercard with you.
- Your mobile device is all you need to make eligible reimbursement account purchases.

Take advantage of the convenience of PlanSource Mobile Pay. Add your PlanSource Mastercard to your digital wallet today!
